The reasons for this cadet's resignation are as follows: Cadet Gonzales has had a change in career objectives. Cadet Gonzales has been in the Air Force almost 4 years, with 2 years enlisted service and 2 years at the Academy. He now wants to pursue a career in law. His present plans are to attend Rice University in Texas, to study Political Science, and hopefully be admitted to their law school next year. After carefully weighing all the advantages of a military career, he now has decided to pursue another career in the civilian community.

80 MAY 1977

SUBJECT: Tender of Resignation

TO: Commandant of Cadets

1. Under the provisions of paragraph 16, AFR 53-3, I voluntarily tender my resignation as a cadet appointed to the United States Air Force Academy.

2. I understand fully the following legal provisions and policies:

a. Legal Provisions

(1) A cadet who is a US citizen and who enters the United States Air Force Academy directly from civilian status assumes a military service obligation of 6 years (10 U.S.C. 651).

(2) A cadet who fails to fulfill the agreement to complete the course of instruction and accept a commission may be transferred to the Air Force Reserve in an appropriate enlisted grade and ordered to active duty for a period of time not to exceed 4 years (10 U.S.C. 9348b).

(3) A cadet who enters the Academy from the Regular or Reserve component of any of the US armed forces and who is disenrolled before graduation reverts to his/her former status for the completion of any prior service obligation (10 U.S.C. 516). However, completion or partial completion of any prior service obligation in no way exempts a separated cadet from being transferred to a Reserve component and ordered to active duty under 10 U.S.C. 9348b.

b. General Policy

(1) The submission of a resignation by a cadet is at the discretion of the Superintendent.

(2) A cadet's resignation is accepted if deemed to be in the best interest of the service.

(3) A cadet who tenders a resignation is required to state a specific reason for this action. However, before

disenrollment, the Academy Superintendent determines if the case should be in the category of demonstrated misconduct or unsuitability for military service.

(4) A cadet who is disenrolled because of demonstrated unsuitability for military service is discharged in accordance with procedures in AFR 36-12 for officers on active duty with the United States Air Force; a cadet who is disenrolled for physical disqualification is discharged in accordance with procedures in AFM 35-4.

c. Specify Policy for Nonprior Service Cadets Who are Disenrolled Before Beginning the Second Class Academic Year

If a cadet in this category is disenrolled, he/she is discharged. If appropriate, the local Selective Service System Board is notified of the cadet's disenrollment through use of DD Form 44, Record of Military Status of Registrant, included in Item 12, Remarks, is the statement, "cadet is eligible for service under appropriate Selective Service Directives. Cadet has no prior active military service."

d. Specific Policy for Nonprior Service Cadets Who are Disenrolled After Beginning the Second Class Academic Year

If a cadet in this category is disenrolled for other than physical disqualifications and the active duty provision has not been waived, he/she is administered the Airman Classification Test (ACT). He/she may then be awarded an AFS at the one level, receive either a directed duty assignment (DDA) to an operational squadron or an assignment to a technical training school, be transferred to the Air Force Reserve in an enlisted status and ordered to active duty for a minimum of two years. Orders are published by the United States Air Force Academy.

e. Nonwillful Separations

When separation occurs as a result of deficiencies which are not considered willful, the active duty provisions may be waived by the Secretary of the Air Force.

f. Specific Policy for Prior Service Cadets

A cadet who was a member of a Regular or Reserve component of the armed forces of the United States on entry into the Academy, and who is separated before beginning the Second Class academic year, reverts to his/her former status for

the completion of any prior service obligation. (Exception: If his/her initial enlistment has expired (or is within 180 days of expiration), he/she is reassigned to the Reserve component (not on EAD) of the same armed services in which he/she served in an enlisted status. A cadet in this category who has begun the Second Class academic year is processed in accordance with the procedures specified for nonprior service cadets. (If the prior service was not with the Air Force, the pertinent service secretary is requested to separate the cadet from his/her former status so that he/she may be processed in accordance with the procedures specified for nonprior service cadets. If such separation is denied, he/she reverts to his/her former status to complete any prior service obligation.)

g. Failure to Accept a Commission.

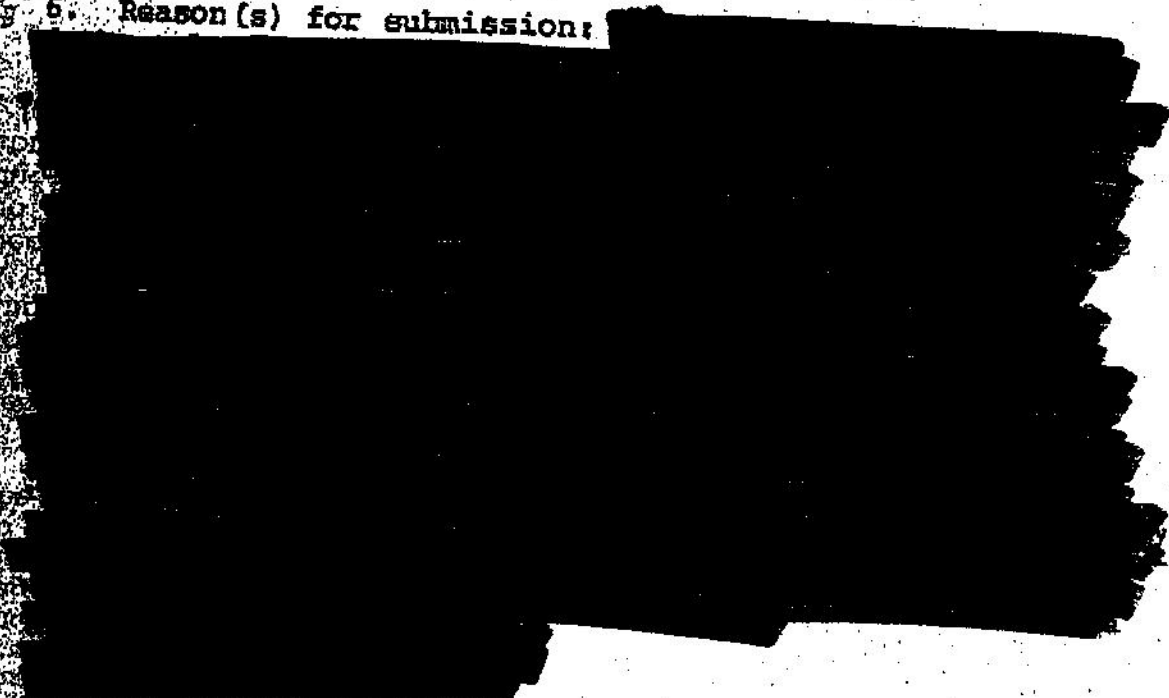

Any First Classman who completes the course of instruction and declines to accept an appointment as a commissioned officer is transferred to the Air Force Reserve in an enlisted status, processed in accordance with procedures outlined above, and ordered to active duty for 4 years.

3. I have been afforded the opportunity of consulting legal counsel regarding the advisability of submitting this resignation.

4. I have been advised that if this resignation is accepted, the provisions of Title 10, US Code 8287c, prohibit my being appointed and commissioned an officer of the Regular Air Force prior to the date on which my classmates at the United States Air Force Academy are graduated and appointed officers, and that upon appointment as a commissioned officer of the Regular Air Force, I shall not be credited with a period of promotion list service greater than the service credited to any member of my class at the Academy whose service in the Air Force has been continuous since graduation.

5. If my resignation is accepted, I understand that I may request to be placed on leave without pay and allowances pending a final decision by the Secretary of the Air Force. Acceptance of the cadet's request for leave without pay and allowance is at the discretion of the Superintendent. A cadet who elects to remain at the Academy pending a final decision by the Secretary of the Air Force will be attached to the USAFA Headquarters Squadron Section and perform duties as directed by the Headquarters Squadron Section Commander.
